

## Hunter Safety Directions to Monsanto Rec Building

<p>Columbus Junction:</p>	<p>Take HWY 92 (East) to Grandview. Continue through Grandview until you get to the T in the road. Turn left (North) taking County Road G44X. Continue on G44X until you reach County Road X-61 (Stuart Road). (There will be a stop sign at this intersection.) Turn left (North) on County Road X-61 (Stuart Road) When you reach the flashing yellow light turn right (East). (There will be a Monsanto sign to help you.) This road actually heads South East Take the first left (sign will point to Monsanto again) You will drive past a little prairie and a butterfly garden Just past the butterfly garden you will see a fence row Turn right (South) on this road - it's gravel You will come right to the Monsanto Rec Building</p>
<p>Wapello Morning Sun Burlington</p>	<p>Take HWY 61 to Grandview Turn right (East) into Grandview Continue through Grandview until you get to the T in the road. Turn left (North) taking County Road G44X. Continue on G44X until you reach County Road X-61 (Stuart Road). (There will be a stop sign at this intersection.) Turn left (North) on County Road X-61 (Stuart Road) When you reach the flashing yellow light turn right (East). (There will be a Monsanto sign to help you.) This road actually heads South East Take the first left (sign will point to Monsanto again) You will drive past a little prairie and a butterfly garden Just past the butterfly garden you will see a fence row Turn right (South) on this road - it's gravel You will come right to the Monsanto Rec Building</p>
<p>Muscatine</p>	<p>Take Stuart Road South, out of town When you reach the flashing yellow light turn left (East). (There will be a Monsanto sign to help you.) This road actually heads South East Take the first left (sign will point to Monsanto again) You will drive past a little prairie and a butterfly garden Just past the butterfly garden you will see a fence row Turn right (South) on this road - it's gravel You will come right to the Monsanto Rec Building</p>
